

Backyard Preview Update.

Oops we sent you the wrong power cord. In this kit you will find the new Canakit power cord. Please switch this out for the power on the Backyard Preview immediately.

In this kit you will also find a new SSD card. Please switch out the new SSD for the SSD in the Brain. Please mail us back your old SSD card in the pre stamped addressed envelope.

Instructions and a video can also be found on our website www.BackyardPreview.com

Switching out the SSD card

1. Remove the silver sticker and locate the SSD card

2. Remove the SSD card (be careful to keep the cards separate)

3. Insert the new SSD card
